

PREP Year – 3 Learn to Swim Timetable Term 4 2009

The Year PREP – 3 Learn to Swim program will run over five consecutive weeks beginning Monday 26 October (week 4) and concluding on Monday 30 November (week 9). Each year 1-3 class will receive ten, 30min lessons over the five consecutive weeks. Prep classes will enjoy five, 30 min lessons over the five Fridays of the program. Parents will be invoiced for costs of swimming lessons in coming weeks.

Pick-up time from school bus-pick-up will be 15mins prior to lesson time. Arrival time back at school will be approximately 15mins after lesson time. Buses depart from the bus pickup area on the Highway in front of the administration block.

Parents are most welcome to attend swimming lessons with their child's class as 'spotters' and/ or 'assistants' to the three group swimming instructors. These parents will be admitted *free of charge* and are welcome to 'get wet' with their group as they assist instructors.

Class teachers will accompany classes to the pool on the bus and then supervise the class getting changed and until they are in the swimming teachers' care. Class teachers will then enjoy their non-contact time until the swimming lesson is completed and the class will then be under the supervision of the class teachers once again.

Parents are reminded to ensure that all items of clothing, towels, etc are clearly marked with a permanent marking pen, to ensure lost/left behind items can be returned to students. A **NO SHIRT, NO SWIM** policy is now mandated in all Queensland schools. Please ensure that your child has a clearly labeled swimming shirt for each lesson.

Parents are also asked to ensure their child has a swimming cap or hair tie (if required to keep long hair out of the way) and correctly fitting pair of goggles to wear during swimming lessons. These items will help to keep children comfortable and focused on aquatic/swimming tasks, by not having to worry about hair in their face and feeling comfortable keeping eyes open under water.

All swimmers are now required to shower after getting changed, prior to entering the water. Please feel free to contact me at the school with any questions or concerns.
